Race &
Imperialism

Roots of Br reaction to Rhodesia/
Roots of racialism in Britain

Single matrix: The psycho-pathology of Br. imperialism.

Other Empires
Other kinds of 'racialism'.

But the specific character, style, social psychology + culture of Br. Imperialism.

Economically British imperialism was the culmination of world hegemony + the surge of investment surpluses overseas.

In few modern Empires has the "religion, the celebration of Empire" so closely suffused the culture + ethos of a people.

Its place deep in the popular mythology + culture, popular imagination.

No place deep in the mythology of popular imagination.

R. Wallace – the popular novels where hero is transported to Empire & disappears into the hinterland. Magic solution. Always rewarded with a fortune.

The music hall, with its [illegible]
